DIG/C

Code	Generator Unit only (No Additional Fittings)	Price
SHST60	6 kW Generator only	1,300.00
SHST90	9 kW Generator only	1,400.00
SHST120	12 kW Generator only	1,500.00
SHST140	14 kW Generator only	1,600.00

**Steam Generator Warranty:** All steam generators must be protected with an appropriate commercial in-line water softener for the water supply where the water hardness exceeds 50mg/l Calcium Carbonate

HELO Steam Generators have a corrosion resistant case with stainless steel tank and heater elements for long life and high output, electronically controlled water feed solenoid valve with low water level cut-out, safety valve, steam head & washer, and flexible hose for water feed connection.

Secondary protection of heater elements by overheat limit fuse. All commercial Steam Generators have an "Auto-Clean System" to drain & flush loose scale deposits from the tank each day - flushes after 4 hour "cool down" period.

Dimensions: 430mm long x 210mm wide x 410mm high

Helo Commercial Steam Generators are supplied c/w commercial control panel, in-cabin sensor, auto-clean system, installation & operating instructions

### helo Steam Generator Spare Elements

\* Elements are priced individually - NOT as a set

Generator	Element Code	Rating x No. Required	Price*
