## HAZCHEM

# Hazardous Chemical Delivery Charge - As a result of the many changes in EU & UK transportation legislation, a hazardous goods charge will be applied to each consignment that includes any chemical identified as "hazardous" - please ask at time of ordering. This is a charge per consignment for Hazchem goods up to 100kg maximum.

# Chemical Delivery Charges - Heavy Goods - Owing to the cost of transportation of heavy goods on the UK carrier network systems, there will be an additional cost applicable - please ask at time of ordering.

# LEISURETEQ Van Delivery Service - For local and pre-arranged non-local deliveries, we offer a van delivery service for large quantities of "hazardous goods". Please ask.

## ENVIRONMENTAL POLICY

LEISURETEQ and its staff endeavour to minimise the impact of the company on the environment by ...

- \* Recycling all waste paper and cardboard into shredding for the packing of our goods.
- \* Recycling other usable packaging & cardboard as and when available.
- \* Recycling of all usable cardboard boxes and other containers for despatching goods.
- \* Optimising our own delivery service to ensure the best use of company vehicles & third party delivery services.
- \* Purchasing British manufactured products when and wherever possible.
- \* Purchasing materials, where possible, which are recyclable and/or bio-degradeable.

Please Note: If you receive a box from us which has been re-used - you now know why!
